

# HP 255 G1 Notebook PC

Optimized for business-users on the go and priced with business budgets in mind, the HP 255 Notebook PC is a smart choice for reliable computing. Keep up with the demands of mobile use thanks to a durable design. Complete tasks on time with essential built-in tools, convenient connectivity, and robust processing power for a more productive work day.

**HP recommends Windows.**

## Built for mobile use

For professionals on the move, the HP 255 features durable casing that helps protect against the rigors of day.

Impact and bumps happen. HP 3D DriveGuard helps protect your data when you're on the go by sensing sudden movement and protecting the hard drive.<sup>1</sup>

Enjoy great views on the 39,6 cm (15.6") diagonal HD<sup>2</sup> display without sacrificing portability.

## Powered for business

Powered by VISION Technology from AMD, your notebook keeps up with your job's demanding tasks.

Add powerful visuals and vibrant colors to reports, presentations and more, thanks to AMD's graphics capabilities.

Get more done with enterprise-level enhancements from HP and Windows 8.<sup>3</sup>

## Designed for productivity

Connect with colleagues online and email from the office or from your favorite hotspots with Wi-Fi CERTIFIED™ WLAN.<sup>4</sup>

From trainings to sales presentations, view high-quality multimedia and audio right from your notebook with preinstalled software and the built-in Altec Lansing speaker.

Make an impact with presentations when you connect to larger, HD<sup>2</sup> displays<sup>5</sup> through the HDMI port.<sup>6</sup>
